

Pennsylvania Association of School Personnel Administrators

William K. Dowler Award for Excellence *in Human Relations Administration*

Purpose: To recognize a practicing personnel professional who is a member of the Pennsylvania Association of School Personnel Administrators. This individual must possess qualities and skills most often demonstrated by an outstanding personnel administrator. The award is presented during the annual state conference.

Background: William K. Dowler (1922-1994) was a founder and charter member of the Pennsylvania Association of School Personnel Administrators. He was educated in West Virginia and graduated from Bethany College. Bill began his human resources career in the private sector with manufacturing and publishing companies. From 1970, until his retirement in 1988, Bill served as the Director of Personnel with the West Chester Area School District. He was the consummate personnel professional, combining great technical knowledge with excellent “people” skills. He was always willing to share this expertise with other practitioners in the field. Bill passed away on April 8, 1994. He is survived by his wife, Monika, and their children, Ms. Lauren K. Dowler and Dr. Jeffrey K. Dowler.
